

Refcom F gas Company Certification Application Form

1. Certification Requirements

To obtain a Refcom F gas certificate, businesses must provide details of their qualified RAC Engineer(s) and details of appropriate recovery systems and refrigerant handling procedures.

Stationary Equipment Qualification Company Certification - certificate valid for three years from date of issue

The named RAC Engineer(s) or the majority of named RAC engineers must hold either a City and Guilds Category 1/Category 2 or a CITB J11/J12 F-Gas qualification. A recent DEFRA/EA ruling stated that Category 3/J13 or Category 4/J14 are not sufficient.

6. Declaration

The declaration is to be signed/agreed by a senior manager or director as the authorised representative of the Business.

I confirm that (on behalf of the named business included within this application):

All the information and documentation provided in support of this application is complete and accurate;

I/we will abide by the Terms of Certification of the Refcom F gas Certification Scheme as published and amended from time to time on Refcom's website;

The business and/or individual(s) named in this application will complete all work within scope of the Scheme in accordance with the fluorinated Greenhouse Gases Regulations 2015 No. 310 and any subsequent enactments thereof or as may be amended from time to time;

Any relevant changes to business/individual(s) status will be notified to the Scheme at the earliest opportunity.

I understand that:

Following submission of this application, Refcom may arrange for a risk-based audit against the certification standards set out in the Scheme's Operation Booklet, as published and amended from time to time on Refcom's website;

Failure to comply with the Scheme's Terms of Certification; and/or meet the certification standards set out in the Scheme Operation Booklet, and/or complete work to the standards laid down in the Fluorinated Greenhouse Gases Regulations 2015 No. 310 and any subsequent amended enactment, could result in additional cost in cases of non-compliance and lead to the business being refused entry to, or removed from the public listing of certificated businesses.

I acknowledge that the following information will be publicly available on the listing of certificated businesses:

business name, or

my name (in cases of self-employed/sole trader Refcom applications)

unique membership number

membership status

contact details (specified in section 2)

certificate expiry date

If you do not want this information to be publicly available please tick here

I agree that the information disclosed on this form, including any personal data and sensitive personal data, may be shared with Government Departments, and any employee, subcontractor or agent acting on their behalf.

I also hereby confirm on behalf of the business named in this application that the information contained in this document/submission is correct, that any changes in circumstances will be notified to Refcom in writing, and I accept and agree to abide by Refcom's Terms of Certification.

I agree that Refcom Ltd may use the information disclosed in this application for the following purposes:

- shared with Government Departments, and any employee, subcontractor or agent acting on their behalf;
- to help improve the content of the Refcom website and the service Refcom offers to its certificated businesses;
- for internal audit purposes;
- to provide you with information about Refcom and associated industry matters;
- to provide certificated businesses with information regarding updates or additional services available from Refcom Ltd and its associated companies.

If you do not wish to receive such information, you may notify us by email to refcom.info@theBESA.com or fax to 01768 860401 or in writing to the address on this form.
